

Zscaler Presents on Enabling Secure IT Transformation to the Cloud at RSA 2018

April 16, 2018

SAN JOSE, Calif.--(BUSINESS WIRE)--Apr. 15, 2018-- Zscaler, Inc., (NASDAQ:ZS) the industry leader in cloud security, today announced that it will participate in several speaking sessions at the RSA Conference at Moscone Center in San Francisco, April 16 through April 20, 2018.

CSA Summit at RSA - A Real-life Cloud Transformation Journey: Getting There Securely

Zscaler CEO and Founder, Jay Chaudhry, will lead a discussion on how cloud and mobility are forcing organizations to rethink their security and network architectures. He will speak on how adoption of SaaS applications and the migration of internal applications to private clouds, such as Microsoft Azure, AWS, and Google Cloud, are driving security transformation. Alex Philips, thought leader and CIO of National Oilwell Varco (NOV), a Fortune 500 company, will join Chaudhry on stage to speak about NOV's cloud transformation journey.

- Featured Speakers: Jay Chaudhry, CEO, Chairman and Founder, Zscaler, and Alex Philips, CIO, NOV
- Monday, April 16, 10:50 to 11:10 AM
- Moscone Center, South Hall, Room 208
- Register for this event [here](#)
