

Cloud Transformation Leaders and Practitioners Converge at Zenith Live, the Zscaler Cloud Summit, in Las Vegas

June 25, 2018

Zenith Live keynote and general sessions to be livestreamed, and will feature presentations from Microsoft, VMware, Salesforce, and AT&T

LAS VEGAS, June 25, 2018 (GLOBE NEWSWIRE) -- Zscaler, Inc. (NASDAQ:ZS), the leader in cloud security, today announced the opening of [Zenith Live](#), the first Zscaler Cloud Summit, taking place at The Cosmopolitan of Las Vegas, June 25 to June 27, 2018. The event, created for Zscaler customers, partners, and industry thought leaders, will include interactive sessions for CXOs, network and security architects and practitioners, and operations professionals that will provide insights and skills development for those driving transformation across enterprise organizations. In addition to general sessions and keynotes, the conference includes certification training and nearly two dozen breakout sessions covering network transformation, application transformation, and security transformation.

Zscaler also announced that it will livestream all keynote and general sessions during the conference. Presentations by such technology giants as Microsoft, VMware, AT&T, and Siemens will be featured.

The full conference agenda can be found at <https://zenithlive.zscaler.com/page/1339118/agenda>.

All livestreamed sessions can be viewed at <https://www.zscaler.com/zenithlive-2018-live-stream>.
