Zscaler Recognized as a Microsoft Security 20/20 Partner Awards Finalist

January 13, 2020

Zscaler Nominated for "ISV Partner of the Year" and "Customer Impact" Categories

SAN JOSE, Calif.--(BUSINESS WIRE)--Jan. 13, 2020-- Zscaler, Inc. (NASDAQ: ZS), the leader in cloud security, today announced it has been named a finalist in the Microsoft Security 20/20 partner awards for the "ISV Partner of the Year" and "Customer Impact" categories. The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation, integration, and customer implementation with Microsoft technology.

"Zscaler is honored to be recognized for helping our customers take a cloud-first approach to security when using Microsoft and Zscaler technology to lead their digital transformation," said Punit Minocha, Senior Vice President of Business and Corporate Development at Zscaler. "Zscaler and Microsoft customers can ensure a fast and secure user experience for Office 365, and this is why Zscaler is also the first cloud security provider to be a member of the Microsoft Networking Partner Program for Office 365."

"The themes for the new Microsoft Security 20/20 partner awards are vision and clarity. Microsoft Security is focused on protecting our customers and there is no vision for the future that doesn't involve security partners," said Rob Lefferts, CVP, Microsoft Threat Protection. "We are hosting the first Microsoft Security 20/20 partner awards gala to honor security partners that are making an impact through technology development and customer enablement."

At the inaugural Microsoft Security 20/20 partner awards, finalists span 16 categories across security integration partners, system integrators and managed security service providers. Only through collaborations can organizations help customers get clarity and become more secure. The security ecosystem must work together to create a vision for the future where people, information, and companies are made safer. Microsoft Security 20/20 provides an opportunity to honor Microsoft partners that have developed and delivered exceptional Microsoft-based solutions and services during the past year.
